

• CENTRAL INTELLIGENCE FOR HOME SERVICES

Stop Losing Jobs to Competitors. Dominate Your Local Market.

AI-first marketing that helps home service companies get found, book more jobs, and grow with confidence.

WHAT CHANGES FOR YOUR BUSINESS

Get Found by More Local Customers

Show up first on Google, maps, and AI search when neighbors need your trade.

Turn Visitors Into Jobs

Turn more website visitors into booked appointments.

Capture More Leads

AI text, chat, and booking answer every lead day or night, even after hours.

Know What Drives Growth

See exactly which marketing efforts generate leads, booked jobs, and revenue.

WHY STANDARD AGENCIES FALL SHORT

- × Generic strategies built for every industry
- × Long contracts that outlive the results
- × Multiple vendors to manage
- × Websites that become outdated after launch

THE CI WEB GROUP DIFFERENCE

- ✓ 20+ years working with contractors and home services
- ✓ Month-to-month partnership with a 30-day notice
- ✓ One partner for your website and marketing
- ✓ Built to keep you ahead as AI and search evolve

"I thought I was hiring a marketing agency. What I actually found was a strategic partner who changed the way I think about my business."

Anthony Hamilton · [The Water Heater Company](#)

"Our website and GBP combined delivered a 35X ROAS. The benchmark is 10X."

Amanda Casteel · [Cherry Blossom Plumbing](#)
